

What will I get paid if I work after 8 p.m.?

Officers from the rank of constable to chief inspector will receive an additional 10 per cent of their basic pay for all hours worked between 8.00pm and 6.00am, including overtime. This payment is not pensionable and should be paid for each full hour actually worked.

Where overtime is worked between 8.00pm and 6.00pm, the rate of the allowance is still 10 per cent of basic pay, not 10 per cent of the overtime rate. The allowance is paid in full in respect of each full hour worked – the 'Queen's half hour' is not excluded.
